

Senior Medical Affairs Associate

The Role

The Senior Medical Affairs Associate is responsible for operational support of the medical plan for allocated Specialised Therapeutics (ST) portfolios and products, including medical affairs management, responding to medical enquiries and managing product access programs.

Your responsibilities will include, but are not limited to:

- Responding to medical enquiries on the company's portfolio of products from external (healthcare professionals and consumers) and internal stakeholders, ensuring that ST customers receive a timely and consistently high standard of medical information
- Providing advice and interpretation of product support materials
- Assisting in maintaining systems and processes for ST's Medical Information function
- Liaising with international partners to maintain and update a medical information database of Medical Letters
- Managing ST's Healthcare Professional (HCP) Portal and Access Programs
- Processing Access Program HCP and patient registrations, liaising with internal stakeholders to ensure the timely supply of products through our access programs, and maintaining patient trackers
- Collating, analysing and reporting on Medical Information and Access Program metrics to management and partner companies as required
- Managing the supply of product for Investigator Sponsored Studies (ISSs) and the release and tracking of clinical trial stock
- Participating in brand team meetings and providing operational medical support to Medical and Liaison teams

What we are looking for

The successful applicant will be self-motivated with the ability to operate in a collaborative and complex environment. You will have excellent time management

and organisational skills and strong attention to detail.

Additionally, you will have:

- Tertiary qualifications in Pharmacy or Medical / Health Sciences, Biology, Biotechnology or Pharmacology
- Demonstrable experience in a relevant role in the pharmaceutical industry
- Knowledge of the Medicines Australia Code of Conduct, TGA Advertising Code and other relevant Industry Codes of Conduct
- Strong written and verbal communication skills and the ability to analyse and collate data
- Ability to work cross-functionally providing support to other departments as required including Customer Service, Pharmacovigilance, Quality and Regulatory Affairs

What we offer you

This is an exciting opportunity to join a company with a growing product pipeline offering employees' a culture of support, encouragement, passion and recognition. We seek those who can bring a wealth of life experience and inspired ideas to our table. In return, we provide an inclusive and flexible workplace environment that nurtures enduring professional relationships. We provide wholesome remuneration packages with above average benefits including additional leave, private health insurance, additional superannuation, well-being grant and your birthday off!

About Us

Specialised Therapeutics (ST) is the region's largest independent specialty pharmaceutical company, providing new therapies and technologies to patients in Australia, New Zealand and across Southeast Asia. We partner with global pharmaceutical, biotech and diagnostic companies to bring novel healthcare opportunities to patients who are impacted by a range of diseases. Our mission is to provide specialty therapies where there is an unmet need. Our broad

therapeutic portfolio currently includes novel agents in oncology, haematology, CNS, neurology, endocrinology, ophthalmology and supportive care, although it is not confined to these areas.

Culture

ST has carefully cultivated a work environment in which our employees are constantly challenged to do their best and think differently. Our company is determinedly inquisitive, perceptive and courageous, and nurtures these qualities by employing people who share our passionate interest in making a difference in patients' lives. We pride ourselves on a friendly, collaborative, open, dynamic and inclusive team, with a permanent focus on the why.

Apply now!

This is an exciting opportunity for a talented individual who would like to move their career forward with a collaborative team and an innovative organisation.

If you believe you have the appropriate experience and energy for this position, please submit your resume and covering letter to Jessica Fine at jfine@stbiopharma.com

ST is an equal opportunity workplace.

This role is only open to candidates that have full eligibility to live and work in Australia.
